OSHA 10-Hour Construction Classes Scheduled for 2011

The ABC Trust is pleased to provide the following list of scheduled OSHA 10-hour courses for Central New York, Eastern New York and Western New York. The classes are limited to **no more than 6 students per company**. **Registration is by fax or scanned email only.** *We do not take registrations over the phone! (Any students from a company that are "no shows" will not be allowed in subsequent future classes. "No shows" put a tremendous strain on our resources to be able to offer these courses to you.)*
